

2010 - 2011 Hockey Season

To whom it may concern;

The following volunteer _____ has come into your detachment or community office, to obtain a criminal records check. As a minor hockey association we require all individuals who are associated with our minor hockey association, as coaches, assistant coaches, managers, trainers, executive members, and team moms to have a criminal check done every season. This helps ensure the safety of our members. The volunteers work in close proximity with minor females aged 5-18.

Thank you,

Christine Shovar
President
Tri Cities Female Ice Hockey Association
